

# WOODVIEW PARK NEWSLETTER

SEPTEMBER 2009

## WELCOME TO THIS LATEST EDITION OF THE WOODVIEW NEWSLETTER

I refuse to call this the Fall newsletter. Summer couldn't have just been that one warm week in the middle of August, could it? But it is that time of year where the Woodview Soccer and Softball teams are closing out their seasons and Woodview Hockey teams are being organized. Plus we want to let you know about the upcoming elections on Sunday September 13th for volunteer positions within the Woodview Park organization and a whole lot more. So read on, enjoy and get up to date on what is happening with "your" Woodview Park!

## WOODVIEW PARK OPENING 2009

The park opening was held on Saturday May 30<sup>th</sup>, and it was a huge success. Mother Nature gave us a nice day and we were told that we might have had record crowds. Everyone came out and enjoyed the games, Pineridge Bluegrass entertainment, wonderful BBQ food, Bubbles the Clown, games and much more. Congratulations to the Ryan family who won the attendance prize of the Nintendo Wii. With the Ryan's having eight-year-old twins, they are having great fun with this! Thank you to the many volunteers who gave their time to make this a phenomenal day. Thank you to all those who attended, reawakening the belief that an old time ritual like the Park Opening can be fun and successful.

SCAT SKATE Hockey Spirit

In these current tough economic times, we realize that the cost of hockey may be something that cannot be afforded. Please check out the NASC Hockey website on how to apply for financial assistance for possible help with these costs.

## WOODVIEW PARK UPGRADES

The Woodview Park clubhouse is the finest and probably largest in Oshawa. The Woodview Executive takes great pride in this. Our latest improvements include replacement of the tiles on the east side of the basement, including the office, entrance and washrooms. We also replaced the tiles on the east side of the main hall, including the washrooms, side platforms, storage room and closet. The baseboard was replaced where the entire tile was replaced and we have new rubber treads on the stairs in the NW corner.

## WOODVIEW SPORTS PROFILE

In this profile, we honour the Dragomatz Family who have been involved with Woodview Soccer for many years.

Michelle and Nichole (Nikki) Dragomatz have been playing soccer for Woodview Park since they were in the Tots division. Their father Terry has been coaching one or the other (or both) each year since they first started.

Michelle has completed playing in the NASC park system, as she is now 20 years of age. She is attending Trent University studying psychology. Michelle can be seen most often working at her part time job at Sobey's. We hope that she might return to Woodview Park soccer as a coach in the future.

Nikki is playing soccer in the under 16 category. Some may recognize Nikki as she continues to be a paper carrier for Oshawa This Week after many years and three different paper routes. Nikki is entering her second year of high school at Eastdale this fall.

Terry is currently coaching Nikki's team along with Mike Holm and Ray Meunier. Things are going well as the team has been successful this season. Terry appreciates that one of the great rewards for being a coach with Woodview Park is the banquet held at the end of the year for all the volunteers! Volunteering at Woodview Park is rewarding and Terry would recommend to it to everyone.

## WOODVIEW PARK ELECTIONS MARK ON YOUR CALENDARS

Elections are being held at the clubhouse on **Sunday September 13<sup>th</sup> at 7:30 p.m.** We welcome everyone to attend this meeting to see how "your" park and all the activities and sports affiliated with the park are run. New volunteers are required to help Woodview maintain its strong standing in Oshawa. Come and find out how much fun and how rewarding volunteering can be. See you there!
